SECUREQUIP – a retractable & fixed Security Barrier – effectively protects those whose lives or property may be threatened.

BEST IN ITS CLASS!

The product is manufactured with a tough, secure locking system (dead lock and slam lock available) to ensure safety and security for families and workers.

SECUREQUIP - our commitment to quality is evident in the long term guarantee we offer!

RETRACTABLE & FIXED
SECURITY BARRIER

SECUREQUIP
Securing homes and businesses
since 1995

100% *Aluminium*
Door

SECUREQUIP

- Made from **Aluminium**
- **Single Upright**
- **Flight** width 16mm and 3mm thick
- **No nylon or plastic components**
- **Solid drop bolts**
- **Guarantee** inland & coastal **10 years**
- **Strong unique locking system**

ADVANTAGES

- Rust resistance inland & coastal
- Doesn't allow leverage for a crowbar to get in between a double upright.
- To ensure maximum strength between uprights
- Allows for a maximum strength door and long lasting use.
- To account for uneven floors (to ensure a perfect fit)
- Exceeds industry standard
- Strength and security
